

Fashion Show

10.30am Wednesday 26 April

Join us for a fun fashion morning as Netanya AACI members model a lovely selection of new clothes to enrich your summer wardrobe. **Margot Ifergan**, owner of **Boutique Margot** at 11 Herzl Street, has chosen a selection of day wear and evening wear to show us.

Margot made Aliyah from Paris twelve years ago with her family. She grew up in the fashion world of Paris where her father was a coat maker and boutique owner and she developed a love for clothes.

Margot recently opened her own boutique in Netanya, as she felt that most of the clothes she saw people wearing were *shmattes*. She knew that she could offer better options at reasonable prices. The clothes in Margot's shop are all original items from Paris and Rome that you won't see elsewhere.

Margot prides herself on giving trustworthy service and loves to see people leave her shop with a smile on their faces whatever their shape or size.

Our compare for the morning will be **Angela Jenshil**. Our models include, *Natalie Green, Irene Gremson, Bebe Feldman, Sylvia Kovler, Belle Lerman, Helen Opolion, Yael Rahum*.

Entrance donation includes refreshments and a onetime 15% discount voucher at Boutique Margot.

Program takes place at Netanya AACI, 28 Shmuel Hanaziv, Netanya.

Tickets: AACI Members NIS 15, Non-members NIS 20
