# Operation Entebbe

**Guest Lecturer**

**YOSSI BAREL**

**8.00pm Sunday 6 January**

---

Most of you reading this will clearly remember what Operation Entebbe was all about - the real life drama which took place in 1976 when an Air France airplane en route from Tel Aviv to Paris was hijacked by Palestinian and German terrorists and forced to land in Entebbe airport, Uganda, where it was welcomed by the dictator and president, Idi Amin.

**Yossi Barel** was a young soldier in Sayeret

Matkal, the elite special forces division of the Israeli army, charged by the Israeli government at the time to undertake this risky mission of saving the hostages and bringing them back safely to Israel.

Come and hear his astonishing account as a first-hand witness of what really happened on that extraordinary night.
