PZAZZBAND

Featuring Renowned Jazz Singer

Gilda Hami

8.00pm Saturday 22 December

The band was formed in 2011 by a group of enthusiastic musicians who have one common aim - to play good music.

Roy Rich, originally from Manchester UK, plays guitar and is the band's musical arranger.

Evie Tamary, the keyboard player, is originally from Detroit Michigan and taught piano for many years. On Contrabass is the very talented **Tal Kahun** who also is a music teacher.

Playing flute and Saxophone is **Benny Masterman** and, although relatively young, is a very talented musician. On the drums is percussionist **Harvey Zak Benson** who originally formed the band.

The musical genre is that of the classic popular songs performed by the greats such as Ella Fitzgerald, Sarah Vaughan, Frank Sinatra etc.

The band's musical ability is complemented very well by the wonderful songstress, **Gilda Hami**, who has delighted audiences throughout the country for many years. If ever there was a marriage made in musical 'heaven' it's Pzazzband featuring Gilda.

The group have gained numerous followers recently by performing for several community groups across the country. To read more about the band and to listen to their latest disk online, see the band's website www.pzazzband.com
