Special Screening on International Women's  
Day in memory of Marlene Shochat

## 8.00pm

## Wednesday 8 March

---

Our evening will start with a memorial for Marlene Schochat, a stalwart member of Netanya AACI and keen activist in local Women's Awareness Group activities.

In Marlene's honor we will be screening the film **Pray the Devil Back to Hell**, which recounts the remarkable story of the Liberian women who organized and mobilized broad popular support to end a bloody civil war and bring peace to their shattered country. It is inspiring and uplifting, and serves as a compelling testimony of how grassroots activism can alter the history of nations.

For the last part of our program we welcome representatives of **Women Wage Peace** a recently formed women's group who aim to activate and use the power of women to break out of the spiral of violence and bring about a viable peace agreement.
