JERUSALEM: LESSER KNOWN MUSEUMS Thursday 4 January

We will start our guided tour of the City Hall complex at the **Jerusalem Municipality** Visitor Center in Safra Square. The tour consists of a visit around the **historical municipal building** which held the municipal town hall dating back to the British Mandate period and housed the mayors of Jerusalem. The history of these buildings and the plots surrounding the fascinating characters they serviced are a vital component in the annals of the city and the City Hall's origins. Some of the buildings were constructed at the beginning of the century and were renovated and adapted for contemporary, modern use.

Walking through Safra Square we will arrive at **The Museum of Underground Prisoners** which commemorates the activity of the Jewish underground movements; Haganah, Irgun and Lehi, which fought for the Independence of the State of Israel. Discover what their lives were like in prison and hear the amazing stories of **Reb Aryeh Levin**, who was their Rabbi.

Our last stop of the day is to the **U. Nahon Museum of Italian Jewish Art**. This Museum was set up to collect, preserve and display objects pertaining to Jewish life in Italy from the Renaissance period through to the present time. Through its unique images and artifacts, the Museum's collection recreates the richness of Jewish life in Italy throughout the ages. The outstanding highlight of the Museum is the ancient Italian Synagogue, which is now used by Italian Jews in Jerusalem.

Our visit culminates with a **Meet the Italian Chef** who will give us a mouth-watering presentation on Jewish Italian food.
