Jerusalem Light Festival

Wednesday 27 June

Guide: Russell Abel

The Jerusalem Light Festival attracts hundreds of thousands of visitors from Israel and abroad who stroll the picturesque lanes of Jerusalem's Old City taking in its enchanted ambiance while its walls and cobblestone streets are illuminated with an amazing variety of modern light installations created by local and international artists. This year's event is an extra special extravaganza, celebrating Israel's 70th birthday and tenth anniversary of the Festival.

Our tour guide Russell Able's expertise in laser show design adds an extra element to the Light Festival. On our way, we will stop for an overview of Jerusalem and supper at a kosher eatery (or bring your own). We will be ready for the Light Festival as soon as it is dark. Join us to walk along the illuminated trails and take part in this very special event that combines the enchanted atmosphere of the Old City with innovative and challenging installations.

We will stop at a kosher eatery for supper or bring your own.
