PLANETANYA

The Madarame Centre for Science, Space and Culture
Tuesday 10 July

After 2 years of construction and investment of 28 million shekels by Japanese businessman, Mr. Madarame- San, **Planetanya** is an innovative attraction for all ages. Join us for a guided tour of the digital planetarium, the Japanese and interactive scientific gardens and ecological ponds. We will hear a lecture by **Elad Lerner**, member of Israeli Astronomical Association on **Cosmology**, How did we come to the understanding that the universe began 13.8 billion years ago? Understand the thought process that led us to the beginning of time, through the universe we know today, and toward its far end in the future. This will be followed by a planetarium show - **To Worlds Beyond – Journey through the Solar System**.

Price includes afternoon coffee. Spaces are limited

Cost AACI Members: NIS 50

Time: Tour starts at 10.00am – 12.noon
