Secrets, Spies & Video Tapes

The Israel Intelligence Center
New Date: **Sunday 15 April**

Please note this is a repeat program after our very successful previous trips.

Near a cinema multiplex and a non-descript highway junction outside Tel Aviv is the place where Israel's secrets go when they get old. **The Israel Intelligence Heritage & Commemoration Center (IICC)** is devoted to shedding light on some of the more secretive chapters in Israel's history. Its mission is to honor, remember and preserve information about members of Israel's intelligence agencies, and to commemorate the fallen from all branches of Israeli Intelligence. The Center, a non-governmental organization, was created in response to public pressure for more transparency. During our visit we will see two films: **The Power of Knowledge**, which describes the process through which the Intelligence community manages current threats; and an **historical documentary** film which tells of the **IICC's** involvement in the rescues of Jewish communities in peril in Yemen, Iraq, Morocco, Ethiopia and other regions.

From there we will visit the **Terror Exhibition Display** which illustrates tangible threats, propaganda, the perpetuation of hate and the Intelligence war against terrorism. After our lunch break we shall hear **veterans of the Intelligence community** telling stories of missions in which they were involved. To end our visit our guide will take us on a walk through the **Commemoration Maze**.

Please bring your own sandwiches for lunch. There will be coffee, tea and biscuits throughout the day.
