Secrets, Spies & Video Tapes

The Israel Intelligence Center

Wednesday 15 February - **Full**

New Date: **Wednesday 29 March**

Repeat program for those who were unable to join us on previous trips.

Near a cinema multiplex and a non-descript highway junction outside Tel Aviv is the place where Israel's secrets go when they get old. **The Israel Intelligence Heritage & Commemoration Center (IICC)** is devoted to shedding light on some of the more secretive chapters in Israel's history. Its mission is to honor, remember and preserve information about members of Israel's intelligence agencies, and to commemorate the fallen from all branches of Israeli Intelligence. The Center, a non-governmental organization, was created in response to public pressure for more transparency. During our visit we will see two films: **The Power of Knowledge**, which describes the process through which the Intelligence community manages current threats; and an **historical documentary** film which tells of the **IICC's** involvement in the rescues of Jewish communities in peril in Yemen, Iraq, Morocco, Ethiopia and other regions.

From there we will visit the **Terror Exhibition Display** which illustrates tangible threats, propaganda, the perpetuation of hate and the Intelligence war against terrorism.

To end our visit our guide will take us on a walk through the **Commemoration Maze**.

Our lunch stop will be at the nearby Cinema City, where you can buy a drink. None of the eateries there has a kashrut certificate, so please bring your own lunch.
